## Slayer of Father Captured After He Escaped at Raiford

Jacksonville, June 20.—John Bryant

20, who escaped several months ago from a convict road camp at Westville, where he was serving a life sentence for the murder of his father in Orlando last year, was captured near Callahan yesterday at 3 p. m., according to telephone advice reaching here.

Bryant was taken three miles north of Callahan by W. J. West, road foreman, camp No. 2, state road department. It is said the prisoner admitted his identity. He offered no resistance. Bryant was incarcerated in the stockade at camp 2 last night. Arrangements will probably be made today to return him to the Westville camp.

Young Bryant, after killing his father, buried him near their home in Orlando and fled to New Jersey. The body was discovered several days later. Bryant, when apprehended, was working on a farm in New Jersey. He was returned to Orlando for trial, and as a defense for the killing of his father recited a story of harsh treatment at the elder Bryant's hands from the time the younger Bryant was a boy.

He was kept in ignorance of the whereabouts of his mother, he said.

## MRS. BUTLER IS OVERJOYED AT HER RECOVERY

Declares Tanlac Gave Her Complete Relief After Everything Else Failed to Reach Her Case.

"I am overjoyed at the wonderful good Tanlac has done me after I had suffered five years," said Mrs. Mamie Butler, 1258 Taylor street, Richmond, Va.

"Indigestion troubled me so long I had little hope of seeing another well day. Nearly everything I ate soured on my stomach and I felt stuffy and nauseated. The pains around my heart were so dreadful and I felt so tight across the chest I thought I would suffocate. Black spots came before my eyes and I almost fell over. I was badly constipated and so run down that often I had to go to bed and stay several days."

"But now I am well and happy, for Tanlac has fully restored me after everything else failed. I enjoy everything I eat, my nerves are steady and I get plenty of restful sleep. Tanlac deserves all my praise and thanks."

Tanlac is sold by all good druggists.

## WOMAN OF WEALTH IS MISTRESS OF THE WORLD

The world war surely prepared us for almost anything in the matter of shocks, but it seems that even now, in this ultra-civilized age, things are happening which Jules Verne would not have dared set down on paper.

Who would ever have thought, in these days when a mention of millions is the merest matter of everyday conversation, that a woman should be so wealthy as to be able to proclaim herself "The Mistress of the World?"

With a genius that is amazing, and courage that is rare, she waged the struggle which brought her this most colossal wealth.

Her discovery at first was known to only a privileged few, but she was at last prevailed upon to permit her story to be filmed. After months of enormous labor and vast expense this was done; and now all may see how this woman, Mia May, became "The Mistress of the world."

And in these pictures of five reels each, is graphically told how and where and why the woman who is now "The Mistress of the World" achieved this amazing position. The first of these pictures, "The Dragon's Claw," was seen here last week, while the second picture, "The Race for Life," is coming to the Grand tomorrow. It is a marvelous dramatic production.

## Aviators to Be Tried for Death of an Aged Man

Jacksonville, June 20.—Set for June

26, a murder case will come up for trial in the United States district court, Southern district of Florida, wherein the defendants will be Lieut. B. J. Toher, Kristjan Bredvad and Eugene Jungbluth, now stationed at Carlstrom Field, Arcadia, the prosecution to be conducted by the state's attorney of the Twelfth judicial circuit, and the defense to be conducted by the government, the men having been indicted by the grand jury of Charlotte county for murder in the first degree, the alleged killing of F. B. Pitts, of Punta Gorda.

The case is one of more than usual interest. According to the statements made in the application for writ of habeas corpus, Lieutenant Toher stated that he was a lieutenant in the air service and had been two years at Carlstrom Field. During April, 1921, he was detailed and directed to proceed to Punta Gorda to locate several deserters who were said to be in hiding there. The night of April 8, 1921, while under orders, he was attacked by F. B. Pitts and Pitts was killed. It was also stated in the petition that he had been indicted by the grand jury of Charlotte county and that he was held at Carlstrom Field awaiting trial but that no trial having been given, the case was transferred, October 21, 1921, to the federal court. Similar statements were made in the writs for habeas corpus filed by the other two men of the service.
